Join Us At Flex!

- At Flex, we specialize in treating Geriatric Disorders, Musculoskeletal Disorders, Sports Injuries and many more.

- To treat our patients, we use customized physical and occupational therapy treatment plans along with Low Level Laser Therapy (LLLT).

- We treat patients from the comfort of their own homes.

- Our service areas cover south, coastal, and parts of the central region of Orange County, Riverside, and the North San Diego area.

23176 Paseo Espada #B1103, San Juan Capistrano, CA 92675
Contact us at (949) 429-3220
A Day in the Life of...

- Driving to new destinations to treat patients.
- Independent, self-starting work after patient evaluations.
- Fill out and submit accompanying paperwork and treatment charts after every treatment.
