Pediatric Occupational Therapy

Connect the Dots Pediatric Therapy is a therapist-owned provider of pediatric Occupational, Physical and Speech therapy in Eugene, OR. Our mission is to provide the children and families we serve with holistic, direct therapy services that improve their quality of life.

We are currently accepting applications for full-time Occupational Therapists and Occupational Therapy Assistants.

Job Description:
- Observe and evaluate children to determine level of ability and if appropriate for services
- Plan and implement one-to-one treatment according to the Plan of Care
- Document accurate daily notes, evaluation and progress reports and accurate codes for billing insurance companies
- Adhere to established rules, regulation and laws
- Work cooperatively with families and fellow staff members
- This is a Full-Time Position

Key Skills and Attributes
- Ability to gather information from a variety of sources.
- Able to be prepared to start and end sessions on time and with a plan of treatment.
- Ability to exhibit excellent time management skills.
- Ability to communicate clearly.
- Experience working with children with Sensory Integration deficiencies a plus.

Application requirements:
- Completed Application Form (found at www.ctdpediatrictherapy.com)
- Resume and References
- Copy of current Oregon OT license
- Prior to hire a background check will be performed

Please mail completed Application Form and Resume to:
