Anatomy and Physiology Courses

This is an incomplete list of courses which will meet our prerequisite requirement here in the USC Mrs. T.H. Chan Division of Occupational Science and Occupational Therapy. Additional anatomy and physiology courses not on this list may be submitted to the Division for approval.

Hybrid Courses in the LA Area:

Santa Monica College
ANATOMY 1: General Human Anatomy (4 units); Under “Biological Sciences”
Both Hybrid and Classroom approved
http://www.smc.edu/AboutSMC/Pages/Class-Schedules.aspx

Cypress College
Hybrid BIOL 231: General Human Anatomy (4 units)
Hybrid BIOL 241: General Human Physiology (4 Units)
http://www.cypresscollege.edu/schedule-of-classes-and-college-catalog/

San Bernardino Valley College
Hybrid Biology (BIOL) 260: Human Anatomy (4 units)
http://www.valleycollege.edu/online-classes/browse-online-classes/

LA Valley College
Physiology 001 - Introduction to Physiology (4 units)
http://www.lavc.edu/schedules.html

Santa Ana College
Biology 239: General Human Anatomy (hybrid)
https://www.sac.edu/CatalogAndSchedule/Pages/default.aspx

Traditional In-Person Courses in the LA Area:

LA Trade-Technical College
Anatomy 001 –T03: Introduction to Human Anatomy (4 units)
http://college.lattc.edu/schedules/

Hybrid Course Offered in Northern California:

Samuel Merritt University
3100 Telegraph Ave, Oakland, CA, 94609
Human Anatomy Lecture and Lab (4 units)
Human Physiology Lecture and Lab (4 units)
http://www.samuelmerritt.edu/basic_sciences/special_status

Weekend and Evening Anatomy and Physiology Classes in the LA Area
West Los Angeles College (Weekend Option)
Anatomy 001: Introduction to Human Anatomy (4 units)

Southern California University of Health Sciences (Courses Offered on Weekends)
(Human Anatomy / Human Physiology (with lab each semester) that are offered on Saturdays and Sundays for 1 month each (4 - 5 units each) at, which is accredited and is located in Whittier, CA)
BIOL 022: Human Anatomy and Physiology 1
http://www.integratedscienceprogram.com/accelerated-science-courses/anatomy-physiology-1.cfm
BIOL 023: Human Anatomy and Physiology 2
http://www.integratedscienceprogram.com/accelerated-science-courses/anatomy-physiology-2.cfm

Evening Anatomy and Physiology in California and Nevada

National University - must take both lecture and lab
BIO 201: Human Anatomy & Physiology I
http://www.nu.edu/OurPrograms/CollegeOfLettersAndSciences/MathematicsAndNaturalSciences/Courses/BIO201.html
BIO 201A: Human Anatomy & Physiology Lab I
http://www.nu.edu/OurPrograms/CollegeOfLettersAndSciences/MathematicsAndNaturalSciences/Courses/BIO201A.html
BIO 202: Human Anatomy and Physiology II
http://www.nu.edu/OurPrograms/CollegeOfLettersAndSciences/MathematicsAndNaturalSciences/Courses/BIO202.html
BIO 202A: Human Anatomy & Physiology Lab II
http://www.nu.edu/OurPrograms/CollegeOfLettersAndSciences/MathematicsAndNaturalSciences/Courses/BIO202A.html

Online Courses (Please note that these are the only approved Online Anatomy Courses)

University of New England:
ANAT 1005: Online Anatomy for the Medical Profession
http://online.une.edu/science-prerequisites/online-anatomy/

Colorado State University
BMS 310: Anatomy for the Health Professions (4 units)
http://www.online.colostate.edu/courses/BMS/BMS310.dot

If you find another Human Anatomy or Physiology course (3-4 semester units) at an accredited college or university not listed above, please contact Kristin Nxumalo by emailing nxumalo@chan.usc.edu to confirm that it meets the prerequisite requirement.

Note: these websites have been updated as of November 2017. If the link does not take you to the correct website, please search the school’s website for the course.
