

Anatomy and Physiology Courses

This is an incomplete list of courses which will meet our prerequisite requirement here in the USC Chan Division of Occupational Science and Occupational Therapy. Additional anatomy and physiology courses not on this list may be submitted to the Division for approval.

Hybrid Courses in the LA Area:

Santa Monica College

ANATMY 1: General Human Anatomy (4 units); Under “Biological Sciences”

Both Hybrid and Classroom approved

<http://www.smc.edu/AboutSMC/Pages/Class-Schedules.aspx>

Cypress College

Hybrid BIOL 231: General Human Anatomy (4 units)

Hybrid BIOL 241: General Human Physiology (4 Units)

<http://www.cypresscollege.edu/schedule-of-classes-and-college-catalog/>

San Bernardino Valley College

Hybrid Biology (BIOL) 260: Human Anatomy (4 units)

<http://www.valleycollege.edu/online-classes/browse-online-classes/>

LA Valley College

Physiology 001 - Introduction to Physiology (4 units)

<http://www.lavc.edu/schedule>

Santa Ana College

Biology 239: General Human Anatomy (hybrid)

<https://www.sac.edu/CatalogAndSchedule/Pages/default.aspx>

Traditional In-Person Courses in the LA Area:

LA Trade-Technical College

Anatomy 001 –T03: Introduction to Human Anatomy (4 units)

<http://www.lattc.edu/academics/schedules>

Hybrid Course Offered in Northern California:

Samuel Merritt University

3100 Telegraph Ave, Oakland, CA, 94609

Human Anatomy Lecture and Lab (4 units)

Human Physiology Lecture and Lab (4 units)

<https://www.samuelmerritt.edu/ugpr>

Weekend and Evening Anatomy and Physiology Classes in the LA Area

West Los Angeles College (Weekend Option)

Anatomy 001: Introduction to Human Anatomy (4 units)

<http://www.wlac.edu/new-sis/index.aspx>

Southern California University of Health Sciences (Courses Offered on Weekends)

Human Anatomy and Physiology 1 (4 Units)

<https://www.scuhs.edu/academics/sps/accelerated-science-courses/full-course-listing/anatomy-physiology-i/>

Human Anatomy and Physiology 2 (4 Units)

<https://www.scuhs.edu/academics/sps/accelerated-science-courses/full-course-listing/anatomy-physiology-ii/>

Evening Anatomy and Physiology in California and Nevada

National University - must take both lecture and lab

BIO 201: Human Anatomy & Physiology I

<https://www.nu.edu/ourprograms/collegeoflettersandsciences/mathematicsandnaturalsciences/courses/bio201/>

BIO 201A: Human Anatomy & Physiology Lab I

<https://www.nu.edu/ourprograms/collegeoflettersandsciences/mathematicsandnaturalsciences/courses/bio201a/>

BIO 202: Human Anatomy and Physiology II

<https://www.nu.edu/ourprograms/collegeoflettersandsciences/mathematicsandnaturalsciences/courses/bio202/>

BIO 202A: Human Anatomy & Physiology Lab II

<https://www.nu.edu/ourprograms/collegeoflettersandsciences/mathematicsandnaturalsciences/courses/bio202a/>

Online Courses (Please note that these are the only approved Online Anatomy Courses)

University of Phoenix

BIO 290 Anatomy and Physiology I (4 Units)

<https://www.phoenix.edu/courses/bio290.html>

BIO 291 Anatomy and Physiology II (4 Units)

<https://www.phoenix.edu/courses/bio291.html>

Note: In order for these courses to count, you must complete both of them.

University of New England:

ANAT 1005: Online Anatomy for the Medical Profession (4 Units)

<http://online.une.edu/science-prerequisites/online-anatomy/>

Colorado State University

BMS 310: Anatomy for the Health Professions (4 units)

<http://www.online.colostate.edu/courses/BMS/BMS310.dot>

If you find another Human Anatomy or Physiology course (3-4 semester units) at an accredited college or university not listed above, please contact Dr. Arameh Anvarizadeh by emailing arameh.anvarizadeh@chan.usc.edu to confirm that it meets the prerequisite requirement.
