

Online Abnormal Psychology Courses

This is an incomplete list of courses which will meet our prerequisite requirement here in the USC Chan Division of Occupational Science and Occupational Therapy. Additional abnormal psychology courses not on this list may be submitted to the Division for approval.

UC Berkeley Extension

PSYCH X146 (3 semester units in Psychology): Abnormal Psychology

<http://extension.berkeley.edu/search/publicCourseSearchDetails.do?method=load&courseId=42042>

Colorado State University Online Plus

PSY 320: Abnormal Psychology (3 credits)

Prerequisite – General Psychology

This course has online exams that require a proctor. Online proctoring is available through ProctorU. For traditional site-based proctoring, a Proctor Identification Form will be required.
