Anatomy and Physiology Courses
This is an incomplete list of courses which will meet our prerequisite requirement here in the USC Chan Division of Occupational Science and Occupational Therapy. Additional anatomy and physiology courses not on this list may be submitted to the Division for approval.

Hybrid Courses in the LA Area

Cypress College
Hybrid BIOL 231: General Human Anatomy (4 units)
Hybrid BIOL 241: General Human Physiology (4 Units)
https://cypresscollege.edu/schedule-of-classes-and-college-catalog

LA Valley College
Physiology 001: Introduction to Physiology (4 units)
https://lavc.edu/schedule

San Bernardino Valley College
Hybrid Biology (BIOL) 260: Human Anatomy (4 units)
https://valleycollege.edu/online-classes/browse-online-classes

Santa Ana College
Biology 239: General Human Anatomy (hybrid)
https://sac.edu/CatalogAndSchedule

Santa Monica College
ANATOMY 1: General Human Anatomy (4 units); Under “Biological Sciences”
Both Hybrid and Classroom approved
https://smc.edu/academics/classes

Traditional In-Person Courses in the LA Area

LA Trade-Technical College
Anatomy 001 –T03: Introduction to Human Anatomy (4 units)
http://lattc.edu/academics/schedules

Hybrid Course Offered in Northern California

Samuel Merritt University
3100 Telegraph Ave, Oakland, CA, 94609
Human Anatomy Lecture and Lab (4 units)
Human Physiology Lecture and Lab (4 units)
https://samuelmerritt.edu/ugpr

Updated April 2022
Weekend and Evening Anatomy and Physiology Classes in the LA Area

Southern California University of Health Sciences (Courses Offered on Weekends)
Human Anatomy and Physiology 1 (4 Units)
https://acceleratedsciences.scuhs.edu/course-listing/anatomy-and-physiology-i
Human Anatomy and Physiology 2 (4 Units)
https://acceleratedsciences.scuhs.edu/course-listing/anatomy-and-physiology-ii

Evening Anatomy and Physiology in California and Nevada

National University — must take both lecture and lab
BIO 201: Human Anatomy & Physiology I
https://nu.edu/ourprograms/collegeoflettersandsciences/mathematicsandnaturalsciences/courses/bio201
BIO 201A: Human Anatomy & Physiology Lab I
https://nu.edu/ourprograms/collegeoflettersandsciences/mathematicsandnaturalsciences/courses/bio201a
BIO 202: Human Anatomy and Physiology II
https://nu.edu/ourprograms/collegeoflettersandsciences/mathematicsandnaturalsciences/courses/bio202
BIO 202A: Human Anatomy & Physiology Lab II
https://nu.edu/ourprograms/collegeoflettersandsciences/mathematicsandnaturalsciences/courses/bio202a

Online Courses (Please note that these are the only approved Online Anatomy Courses)

Colorado State University
BMS 310: Anatomy for the Health Professions (4 units)
https://online.colostate.edu/courses/BMS/BMS310.dot

UCLA Extension
PHYSCI XL 13: Introduction to Human Anatomy (5 Units)

University of New England
ANAT 1005: Online Anatomy for the Medical Profession (4 Units)
https://online.une.edu/science-prerequisites/online-anatomy
University of Phoenix
BIO 290: Anatomy and Physiology I (4 Units)
https://phoenix.edu/courses/bio290.html
BIO 291: Anatomy and Physiology II (4 Units)
https://phoenix.edu/courses/bio291.html
Note: In order for these courses to count, you must complete both of them.

If you find another Human Anatomy or Physiology course (3-4 semester units) at an accredited college or university not listed above, please contact the USC Chan Admissions Team by emailing admissions@chan.usc.edu to confirm that it meets the prerequisite requirement.
